'Dear Shinod,

Please find the atatched Monthly Invoice amended as requested.

Please note that no such confirmation has been made via the mentioned 'telephonic conversation', I have earlier mentioned that we van include the price within the monthly rental amount if agreement is to be honored and extended.

However, we still have not received a confirmation regarding extension from your GM, which was communicated via email a month prior to the conrtact expiration date.

I have attached supply trip invoices seprately at standard rate.

Please also note that I have received a complaint from my crea that Aslan from HR has taken money utp MVR 2000 from each staff saying their documents are not in order, please note that no such agreements have been made verbally nor in the contract that our staff are chanrgeable for anything, we would like to look into this serious matter.
