On 22 December 2022, I issued you the first warning written letter for poor performance and bad attitude. But since then your performance had not improved to a satisfactory level. You have continuously failed in the following important duties.

1. Failing to send 10 minutes training report to Risk & Security department.
2. Failing to send monthly training report to L&D department.
3. Failed to arrange weekly water testing.

When asked to send the training report on 25 January 2023, you replied “please be specific about this.” This indicates that you are not aware of your job. So we regretfully inform you

that your performance, attitude and behaviors are disappointing us. This sort of attitude is unbearable in the company and we expect you to give your best to maintain your position.
